

Turbo Controller

Master Bakers will appreciate this versatile touch screen colour controller for our Convecta range, allowing them total flexibility. Alternatively it can be pre-programmed with 99 bake programs for ease of use by semi-skilled staff, to give consistency across a wide range of products. The controller can be automatically switched off if not used for some time, this will save money for the energy conscious.

Features of the TC

- Touch screen controller for Convection Ovens
- Temperature in Deg F or Deg C
- 99 Bake programs
- Passcode protection
- Automatic steam operation
- Automatic damper operation
- 10 step bakes available
- Energy saver, auto switch off if not in use
